

AMIB Dedication Opportunities

As the Covid19 Pandemic hit, AMIB quietly worked on readying two new group homes for individuals who are blind/visually impaired and living with multiple disabilities. As we welcome 8 new individuals to the AMIB Family, we invite donors to add a name to our superb legacy of caring. Adding a name will help to fund new group homes or ones currently being renovated.

FRIENDS

\$100-\$999 donors are listed in our newsletter

Multi-year dedication payment options are available and dedications can be accepted as donations of stocks. Contributors can choose the name of a special caretaker, family member or loved one who will then live on in the hearts of those living in or visiting AMIB properties. A permanent naming opportunity is a wonderful way to leave your legacy at AMIB, honor a beloved family member or salute an incredibly talented member of our staff.

Contact Nicole Lewis for more information on activating a dedication @ Nlewis@amib.net

*Multi-year options are only available for gifts of 10k+ and require 5K minimum for 1st year and full payment by 3rd year.
